

5 Benchmarks for Ensuring Profitable Relationships With Providers

Want to own the best referring provider relationships possible? Here are five home health best practices you can use toward this goal.

90% of outstanding orders returned within 7 days

▼ 5 Days ^{or Less}

Days to RAP 5 days or less (proposed to be replaced by Notice of Admission in January 2022)

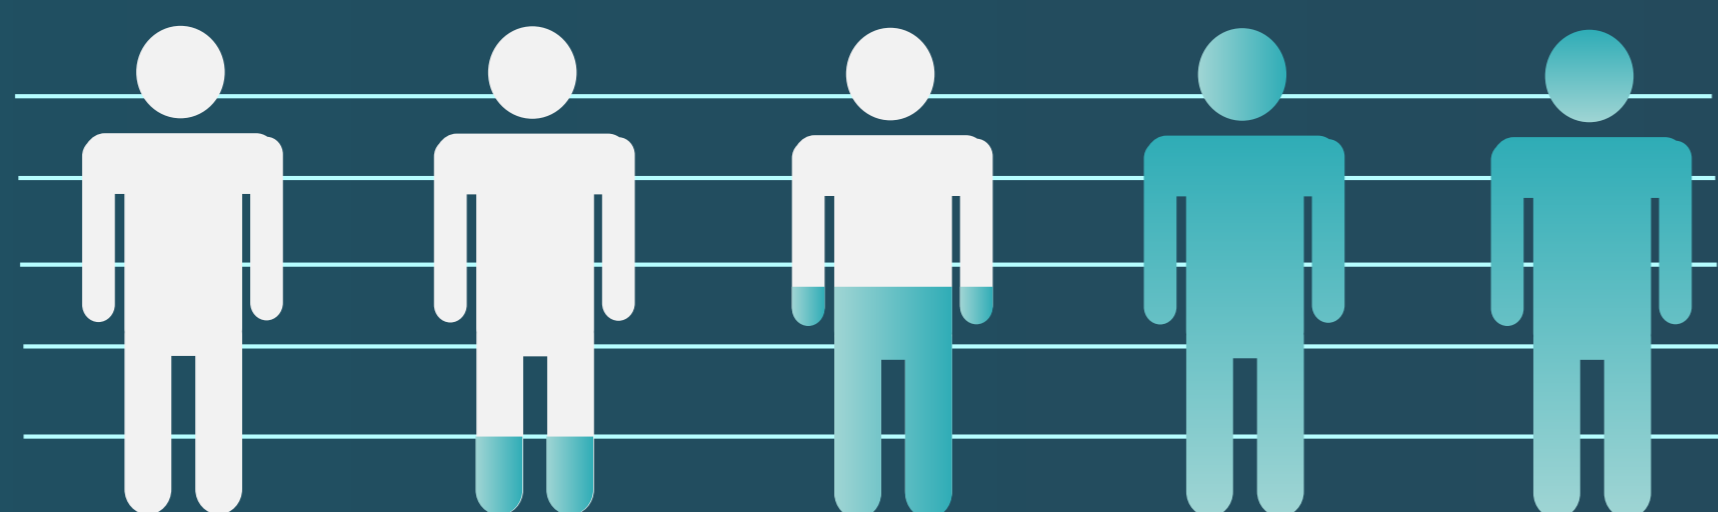

30 Days

No outstanding face-to-face documentation older than 30 days

14 Days

days to final claim

Monitor percent of referrals by source and your relationship with those top physicians (ongoing)

If your business isn't hitting these targets, consider partnering with a health tech company that will help you achieve consistent results and boost your bottom line!
